First Edition Design eBook Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Moving is never easy. Especially when you are about to turn thirteen, forced to leave a lush paradise for a barren wasteland and afflicted by a know-it-all-smart-aleck for a brother. With an old lady for her new neighbor and parents who think looking at rocks is fun, Micay has only her geeky brother to console her. At least he understood that beach bunnies were not meant to be desert rats. Though she is determined to remain miserable in her new life, little does she know that her neighbor is more than meets the eye and will set her on a grand and ancient adventure that challenges all her preconceived ideas. Land of Enchantment is a fresh take on an old adage, don t judge a book by its cover, and showcases the little known grandeur of the truly enchanting state of New Mexico (yes, it really is a part of the United States). About the author - Every choice we make changes our story and the stories of countless others interconnected with us. That fascinates me, and it drives me to ask, what if? That ever fluctuating potential of possibility is my Muse, and writing is my mode of exploration. Delving into the mystery of what if and putting it into words is what I want to do for the rest of my life. The hobbies and activities I enjoy reflect my philosophy of writing. I explore, I adventure and I discover. I practice Wushu, a graceful and acrobatic martial art that is always a challenge. I rock climb to keep my body and spirit strong. I am happiest traveling and discovering new places...
